## Survive Middle School Donna Gephart Delacorte

**head lice booklet - north dakota department of health** - 2 head lice - a lousy problem preface head lice (*pediculus humanus capitis*) have been living on the scalps of humans for thousands of years. from the time of ancient greece and egypt, through the middle-ages and up to the present, the problem **class: power, privilege, and influence in the united states** - class: power, privilege, and influence in the united states perhaps the most elusive of all the social ills confronting us today is the issue of class.
